# DUNKELD CARS

## WEDDING TRANSPORT

With our **4-seater** and **8-seater** vehicles and access to additional vehicles, **Dunkeld Cars** are the ideal transporter.

### DIRECT GUEST BOOKINGS

Guests arranging their own transport are encouraged to book transport prior to the wedding day.

### SHUTTLE SERVICES

Our shuttle service pre-arranges transport services for your guests from the venue. Transport to the venue may also be arranged.

Multiple trips

Multiple capacities

#### OPTION 1 - £50 per hour

Driver(s) available for the agreed duration of time.  
**No charge to the individuals.**

#### OPTION 2 - £30 per hour + Fixed charge per head

Driver(s) available for the agreed duration of time.  
Individuals pay a fixed charge per head.  
**Typically £1-3 per head dependent on destination.**

#### Shuttle logistics and key things to consider:

- Time your guests need to have left by.
- Who is co-ordinating your guests into the vehicles.
- Co-ordinator will require a list of guests and destinations.
- The shuttle will only run when full.
- Guest departure times will need to be staggered.

Vehicle numbers and trips are determined by your guest numbers, venue location, journey and turnaround times.
